## IN REMEMBRANCE

The Town of Barnstead wishes to acknowledge the passing of these individuals who have made contributions to our community either as elected officials or boards or committees.

**George Russell Krause** passed away February 17, 2010 after a brave battle with cancer. He served as a Moderator for the Barnstead School District; he held several positions in the Barnstead Budget Committee and was part of the local Boy Scout Troop. He served on many committees in Barnstead. He will be missed.

**Mark Hingston** passed away September 8, 2010 after a long battle with cancer. He became a member of the Zoning Board of Adjustment in 1996 and continued until 2002.

**Richard Keene** passed away suddenly November 14, 2010, his son Wyatt was at his side. Richard was first an alternate member of the Zoning Board of Adjustment in 1993 and became a full member in 1994. He was a board member until 2003.

**David Kelley** passed away December 11, 2010 from a tragic accident in the woods. He was a member of the Planning Board from 1997 until 2002. He also took care of the voting booths at election time here in the Town Hall and at Barnstead Elementary School.

We also want to express our condolences to any of the families who have lost loved ones this year whether they are new to the community or have lived here all their lives.

## ABOUT THE COVER

The Selectmen and Barnstead Fire-Rescue, Inc. signed the agreement making the ambulance and fire a municipal department this year. We went from a part-time fire chief to a full-time chief. George “Rusty” Krause II passed the baton to Mark Tetreault. Our cover picture denotes the changing of the guard.

A reception was held at the Barnstead Parade Fire Station on September 19, 2010. We congratulate George Krause on his years of dedicated service and wish Mark Tetreault all the best in his new position as full-time fire chief.

# NOTES

# STATE OF NEW HAMPSHIRE

## Town of Barnstead

### Warrant for 2011 Annual Meeting

THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Eighth (8th) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town officers for the year ensuing.

2 Selectmen	3 year term
1 Road Agent	3 year term
1 Trustee of Trust Funds	3 year term
1 Library Trustee	3 year term
2 Budget Committee	3 year term
2 Planning Board Members	3 year term
1 Overseer of Public Welfare	1 year term

2. To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board, as follows:

1. Are you in favor of question #1, as proposed by the Planning Board for the Town of Barnstead Code of Building Regulations, as follows:

To approve substantial revisions to bring the code into conformance with the State of New Hampshire Building Code?

2. Are you in favor of question #2, as proposed by the Planning Board for the Town of Barnstead Large Building Fire Protection Code, as follows:

To delete Section 9-A which defines the Fire Wards of the Town of Barnstead and replace the Board of Fire Wards throughout the code with the Town of Barnstead Fire Chief?

3. Are you in favor of question #3, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance, as follows:

To add a new section which would adopt certain minimum housing standards as set forth in RSA 48-A for rented or leased premises.

The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 12th, 2011, at 9:00 a.m. at the Barnstead Elementary School.

3. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.
4. To see if the Town will vote to abolish the Board of Firewards. (Recommended by Selectmen).
5. To see if the Town will vote to authorize the Selectmen to enter into a lease agreement for the purpose of leasing to own one (1) fully equipped 6 wheel dump truck for the Highway Department and to raise and appropriate the amount of Sixty Five Thousand Five Hundred Ninety Four Dollars (\$65,594) for the first year's payment for that purpose. This is a three year lease agreement and it contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Not Recommended by Budget Committee).
6. To see if the Town will vote to raise and appropriate the amount of One Hundred Fifty Thousand Dollars (\$150,000) to purchase a Backhoe Loader for the Highway Department and to authorize the withdrawal of up to One Hundred Fifty Thousand Dollars (\$150,000) from the Highway Department Heavy Equipment Capital Reserve created for this purpose. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
7. To see if the Town will vote to raise and appropriate the amount up to One Hundred Seventy Five Thousand Dollars (\$175,000) to construct a building to be utilized as a Salt Shed for storing salt for the Highway Department and to authorize the withdrawal of up to One Hundred Seventy Five Thousand Dollars (\$175,000) from the Highway Garage Capital Reserve for this purpose. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
8. To see if the Town will vote to authorize the Selectmen to enter into a lease agreement for the purpose of leasing to own one (1) fully equipped Ambulance and to raise and appropriate the amount of Sixty Thousand Dollars (\$60,000) for the first year's payment for that purpose. This is a three year lease agreement and it contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
9. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) for the purpose of purchasing a radio repeater and related equipment. The radio will be installed on the cell tower located on the Carr Property on Hartshorn Road. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
10. To see if the Town will vote to raise and appropriate the amount of One Hundred Twenty Thousand Dollars (\$120,000) for the purpose of having the preliminary study and design phase completed by the engineering firm McFarland Johnson on the Hannah Nutter Bridge. Ninety Six Thousand Dollars (\$96,000) (80% of the cost of this project) is to come from the State of New Hampshire Bridge Aid Program, and further to authorize the withdrawal of Twenty Four Thousand Dollars (\$24,000) from the Bridge Construction Capital Reserve. The bridge was placed on the red-list by the State of NH Bridge Engineer Inspectors and has been accepted into the State Bridge Replacement Program which pays for 80% of the bridge replacement. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

11. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) to be placed in the Bridge Construction Capital Reserve Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
12. To see if the Town will vote to raise and appropriate the amount of Twenty Thousand Dollars (\$20,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
13. To see if the Town will vote to discontinue the Fire Rescue Equipment Capital Reserve created in 1995. The account has remained open with a zero balance. (Recommended by the Selectmen).
14. To see if the Town will vote to discontinue the Fire Truck Capital Reserve created in 1997. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund (approximately \$52,000). The purpose is to create one fund for both Fire and Rescue to include vehicles and equipment. (Recommended by the Selectmen).
15. To see if the Town will vote to establish a Fire Rescue Expendable Trust Fund under the provisions of RSA 31:19a for the purpose of purchasing and replacing new or used Fire and Rescue vehicles and equipment and to raise and appropriate the amount of Sixty Seven Thousand Dollars (\$67,000) to be placed in this fund and furthermore to appoint the Selectmen as agents to expend. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
16. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) to be placed in the Town Hall Computer Support Expendable Trust Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
17. To see if the Town will vote to raise and appropriate the amount of Fifteen Thousand Dollars (\$15,000) to be placed in the Emergency Preparedness Expendable Trust. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
18. To see if the Town will vote to raise and appropriate the amount of \$5,000 to be placed in the Historical Society Building Capital Reserve. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
19. To see if the Town will vote to raise and appropriate the amount of Five Thousand Dollars (\$5,000) to be placed in the Milfoil Treatment Expendable Trust. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).
20. To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19a, to be known as the Business Development Expendable Fund, for the purpose of paying miscellaneous expenses such as travel costs, meals and other costs associated with business meetings in order to attract businesses to become established in Barnstead, and to raise and appro-

priate the amount of Five Thousand Dollars (\$5,000) to such fund and furthermore to appoint the Selectmen as agents to expend. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

21. To see if the Town will vote to raise and appropriate \$6,000 (Six Thousand Dollars) for the purpose of Milfoil treatment at Locke Lake. (Submitted by Petition) (Recommended by Selectmen) (Recommended by Budget Committee).
22. To see if the Town will vote to create a Business Development Fund by creation of a TIF District (Tax Incremental Funding) to attract businesses to designated land that would be funded by a TIF, as spelled out in the State of New Hampshire's RSA's. The land designated would be decided by a joint committee of the Planning Board and the Barnstead Development Group. (Recommended by Selectmen).
23. To see if the Town of Barnstead will direct the Barnstead Board of Selectmen to convey an easement to the Center Barnstead Christian Church for town property known as the "Rogers Property" Map 7 Lot 5. Said easement will be/is for the purpose of continuing activities and structures that existed prior to the Town of Barnstead purchased said property. All costs associated with the conveyance will be borne by the Center Barnstead Christian Church. (Submitted by Petition).
24. To see if the Town will vote to authorize the Selectmen as allowed by RSA 80:80, III, to convey the property at tax Map 041 Lot 320 and 321, to Robert A & Anne M Agri, to be merged with the property at Map 041, Lot 319 Lot. The Agri's have paid all taxes, interest, costs and expenses owed to the Town in maintaining the property. (Recommended by Selectmen).
25. To see if the municipality will vote to raise and appropriate the Budget Committee's recommended sum of \$3,421,798 for general municipal operations. The Selectmen recommend \$3,429,417. This article does not include appropriations by special warrant articles and other appropriations voted separately.
26. To transact any other business that may legally come before this meeting.

We hereby certify that we gave notice to the inhabitants within named, to meet at time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at Barnstead Parade Post Office, Ctr. Barnstead Post Office, Barnstead Town Hall and Barnstead Elementary School being a public place in said Town, on the 11th, day of February, 2011.

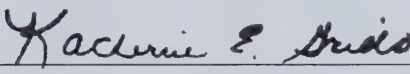

A true copy of Warrant – Attest:

	2.02	2.12	2.26	2.24	2.22	2.59	(state)
<b>Totals</b>	<b>14.56</b>	<b>16.23</b>	<b>18.40</b>	<b>18.39</b>	<b>18.14</b>	<b>22.36</b>	

## EQUALIZATION RATIO

To find the ratio:  $\frac{\text{assessment}}{\text{sale price}} = \text{ratio}$

Year	2005	2006	2007	2008	2009	2010
%	96.8	93.6	94.8	97.1	108.2	96.0

## THE USES OF EQUALIZATION FIGURES

(from a booklet prepared by DRA for a seminar handout)

- Determine the total equalization valuation of the Town of Barnstead;
- Determine the amount of reimbursement to the Town of Barnstead for state and federal forest land;
- Calculate current use and conservation restriction assessments;
- Apportion county taxes;
- Distribute education monies;
- Determine highway and community block grants (by State Planning);
- Determine the amount of debt limit for the Town of Barnstead so that our borrowing power can be established;
- Determine the average effective tax rate for the Town of Barnstead;

## 2010 TOWN CLERK REPORT

2010 was a very busy year in the Town Clerk/Tax Collector's office. There were three elections and changes in the federal election laws required that the primary election results be certified the same night, making for a long day and night for all involved.

We licensed 950 dogs in 2010. All dogs are required, by law, to be licensed by April 30th each year. For any dogs unlicensed a civil forfeiture fine of \$25.00 (per dog) can begin at the end of June. Dog licensing late fees of \$1.00 per month also begin in June. The fee schedule for dog licenses is available in the office and on our website ([www.barnstead.org](http://www.barnstead.org)). Please make sure we have updated rabies information on your dogs or puppies when you come in to register them.

Motor vehicle registrations accounted for \$635,741.74 in revenue for the Town. While this is a decrease of \$25,959.34 from last year, the bottom line was helped by many new vehicle purchases.

As of August of 2009, the State automobile rates increased according to the weight of each vehicle, with a minimum charge of \$30.00. It is still in effect this year. The Town Agent fee is \$3.00 per vehicle. The Town portion of registrations continues to decrease as your vehicle gets older, until it reaches the minimum and then remains the same.

Boat registration fees increased, actually doubling in August of 2009. In March 2010 the legislature passed a law to increase the boat agent fee from \$1.50 up to \$5.00 per boat. Also, in March a new boat registration program went into effect. New boat registrations now look just like their motor vehicle counterparts. We are also required to survey the boat owners to determine if they primarily use their boats on one of seven lakes in the State. While this change has put all the boats into the State database, it also rejects renewals with incomplete hull identification numbers or other missing information. Please bear with us if your renewal gets rejected and we require you to get a hull identification number verified. In the end, it will prevent any future problems.

Effective on July 1, 2010, the Vital Record fees increased. The fee for a certified copy of a birth, death, or marriage record is now \$15.00 for the first copy, and \$10.00 for each additional copy ordered at the same time. The marriage license fee is \$50.00.

Respectfully submitted,

Cynthia L. Treadwell  
Town Clerk  
Mary E. Clarke  
Deputy Town Clerk

## SELECTMEN'S REPORT

To the Residents of Barnstead:

For the first time in 100 years the Town of Barnstead has a fully municipal Fire Department and its first full-time Fire Chief. The selection process was long but was accomplished by a dedicated group of people who put in a lot of hard work. The group was made up of members from Barnstead Fire Rescue, Barnstead Fire Rescue Inc., neighboring Fire Chiefs, and the New Hampshire State Fire Marshal's Office. The final candidate was Mark Tetreault, who comes to us from the Town of Londonderry, N.H. He and his family live in Epsom, N.H.

The overall transition went very smoothly and now the Town owns the two fire station buildings. Through this purchase we were able to complete the long planned roof replacement for the Center Station.

Your Select Board also continues to meet with the Suncook Valley Town Association (SVTA)-which consists of several towns that share information and discuss similar problems and concerns facing the municipalities. The forefront of the group is regionalization so that all the communities will be able to continue providing sufficient and affordable municipal services.

We said last year we would study the full-time Administrator's position for presentation to the Town next year. This past year has reaffirmed the need for Barnstead to have a full-time Town Administrator; we can only repeat what was said last year. Few towns of our size function without that single professional to provide daily assistance to the departments, resolve issues with townspeople and lend professional expertise in dealing with other governmental entities. A comparable situation to what Barnstead has would be that of a corporation with a board of directors, but no chief executive officer. The CEO is hired by the Board to efficiently manage the daily business of the corporation.

An ongoing problem is the issue of space and the adequacy of the Town Hall for continued office use. We have reached a point that we will need to use the hall itself for added space. The Space Needs Committee did an excellent job on the plans for municipal complex but their proposals were not supported by the Town Meeting. The Town Hall also has structural issues that we will be addressing. We are not bringing forth a proposal for a new building this year, due to the economic conditions and change in the tax rate. In the future, we hope to come forward with a plan that we feel the citizens can and will support.

In preparing the 2011 budget, your Board of Select Members have done its best to keep funding down, but there are some areas such as health insurance, retirement and compensation that are difficult to control. We have kept the same level of benefits, without downsizing or laying off personnel.

Respectfully submitted,

James Barnard, Chairman  
Andrew Houle, Vice Chairman  
Katherine Grillo  
David Kerr  
Robert LaRoche

## ASSESSOR'S REPORT

The Town's assessing practices were scheduled for recertification by the NH Department of Revenue Administration in 2010. To prepare for this the Town has upgraded its assessing program from Brightside to Civicware. This conversion to the new system was a major undertaking. Town Hall personnel data entered all the property information from the old system into the new program. With all the data in place the assessments were update to reflect the changes that have occurred in the real estate market since the last update in 2005. All property owners should review their property record cards to verify that the information on file is accurate and notify the Town if there is an error.

In keeping with the State's requirements that towns review their property record data once every five years the Town has contracted with the firm of R.B. Wood & Associates to perform a review of 20% of the Town on an annual basis. In 2010 town tax maps 9 thru 19 were reviewed for accuracy.

Any taxpayer that feels their property's equalized assessment does not reflect the market value of the property as of April 1, 2010 may file an abatement with the Town by March 1, 2011. When filling your abatement application only valid arms length transaction may be used as comparables. Foreclosure, bank sales and family sales are not considered valid sales. The abatement applications are available in the Selectmen's office or online at [www.nh.gov/btla](http://www.nh.gov/btla)

The deadline for filing all exemptions and tax credit applications is April 15 for the tax year applied for. These include elderly and blind exemptions as well as veteran's tax credits. If you feel you qualify for any of these as of April 1, 2011 stop by the Selectmen's Office to fill out an application.

For 2011 the Town of Barnstead has contracted with the firm of R.B. Wood & Associates for its assessing needs. A representative of the firm is available on Wednesdays for any taxpayer questions.

Respectfully submitted,

Rod Wood, CNHA CMA  
Real Estate Appraiser Supervisor  
R. B. Wood & Associates

## INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

To the Members of the Board of Selectmen  
Town of Barnstead, New Hampshire  
Barnstead, New Hampshire

We have audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Barnstead, New Hampshire as of and for the year ended December 31, 2010, which collectively comprise the Town's basic financial statements as listed in the table of contents. These basic financial statements are the responsibility of management. Our responsibility is to express opinions on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards that are generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Barnstead, New Hampshire, as of December 31, 2010, and the respective changes in financial position there of for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Management has not presented a management's discussion and analysis of the financial statements. Although it is not required to be part of the basic financial statements, United States generally accepted accounting principals considers it required supplementary information. Likewise, budgetary information presented in the section marked *Required Supplementary Information* are not a required part of the basic financial statements, but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and therefore express no opinion on it.

Our audit was performed for the purpose of forming opinions on the basic financial statements taken as a whole. The accompanying schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

## BARNSTEAD FIRE RESCUE

2010 was truly an exciting year for Barnstead Fire Rescue. This year marks the first time the Town of Barnstead has operated a municipal fire department. I personally was honored to be offered the job of Barnstead's first full time fire chief. Although I have only been here a short time, I would like to share with you some my impressions of the fire department.

The first thing I noticed was the people! Barnstead is very fortunate to have such a group of professional, dedicated people in the fire department. Both career staff and call staff have an amazing dedication not only to the fire department, but to the community. I would like to thank the fire department members and their families for their service to the community and for making my family and me feel welcome as part of Barnstead Fire Rescue.

In the area of apparatus we do have some challenges we hope to address in the future. Our first priority is to purchase a replacement ambulance. This ambulance will replace the 1994 Chevrolet ambulance and allow the 2003 Ford Ambulance to be placed in reserve. Even though some of our equipment is old, I am amazed at the condition of the equipment. This is definitely a tribute to the department's preventative maintenance program.

We do have an aging fleet of equipment; we are facing significant costs to maintain adequate levels of service in the foreseeable future. Over the next year the department will evaluate the fleet, prioritize replacement, and put forth a plan for funding equipment replacement. There are a number of funding sources including: a dedicated revenue account where fees collected for services are put into capital reserve for fire apparatus replacement; grant opportunities to explore; and finally when considering new equipment we will explore multi-function apparatus purchases in an effort to reduce the overall size of the fire department fleet.

One of our goals for the next year is to critically evaluate department facilities. As the department has grown we are asking more from our facilities than their original design anticipated. Since the stations were constructed, apparatus has grown, population has shifted, and 24-hour coverage has been implemented. Over the next year, we hope to put forth a plan to address these issues.

Lastly, I would like to thank Chief George Krause, II. Chief Krause put down an excellent foundation for the fire department. Hopefully, we will be able to work together in the future to accomplish some of the projects and programs Chief Krause envisioned.

### **2010 Call Statistics**

In 2010 Barnstead Fire Rescue responded to 622 calls for service. This represents an increase of 7% over 2009. Of those 622 calls 54 were fires resulting in \$356,800.00 in direct fire loss. Below is a complete breakdown of responses.

Fires	54	9%
Overpressure	1	0%
Emergency Medical	360	58%
Hazardous Condition	44	7%
Service Call	44	7%
Good Intent	84	14%
False Alarm	30	5%
Sever Weather	5	1%

In closing, if you have an interest in becoming a member of Barnstead Fire Rescue, I would encourage you to stop at one of the stations and pick up an application. We are always looking for new members.

Respectfully submitted,

Mark W. Tetreault, EFO, CFO  
Fire Chief  
Barnstead Fire Rescue

## ROAD AGENT'S REPORT

In 2010 the Highway Department had a very good year. We were able to install about 1,000 feet of culverts. We started with the trouble areas that flood over when we get more than three inches of rain in a twenty-four hour period. We also replaced all the culverts and widened the road on Cooke Road, Lake Shore Drive and Sunset Drive. It was one of the driest summers on record, so that made the grading of the roads very difficult. The dust was kept down with the use of magnesium chloride and the water truck.

We were able to get a lot of the town roads mowed in 2010 because Peter Holmes was able to keep the old tractor in good repair. A big thanks to Peter. In all, the summer was a productive one and with the continued hard work from the crew we should be able to bring the town roads back to a higher standard.

Also, I would like to thank those of you that help to keep your driveway culverts and ditches cleared and tree limbs removed. This is a big help to us. We also appreciate your telephone calls that inform us of any hazardous conditions.

I would like to thank my crew for the dedicated work they continue to do. I would also like to thank all the subcontractors that helped us throughout the year.

The Road Crew as of December 31, 2010:

James Doucette  
Thomas Boyd  
Robert Tiede  
Scott Gagne  
Kyle Tiede  
Peter Holmes

Respectfully submitted,

Chris Carazzo  
Road Agent

## BARNSTEAD POLICE DEPARTMENT

119 South Barnstead Road  
Center Barnstead, New Hampshire 03225  
603-269-8100

KENNETH A. BORGIA, CHIEF

### ANNUAL REPORT OF THE CHIEF OF POLICE KENNETH A. BORGIA

The Barnstead Police Department, for yet another year, has strived to provide the best law enforcement services it is capable of while maintaining another nearly level funded fiscal budget. The Barnstead Police Department also experienced significant reduced staffing during much of the year due to extended leaves of absence.

During the first half of 2010 the Town of Barnstead had experienced a drastic increase in sex offense investigations, most of which involved juvenile victims and/or some other sort of juvenile involvement. These types of investigations routinely self perpetuate into other investigations requiring a multitude of interviews. The Town of Barnstead was, and continues to be fortunate to be able to use the services of the Greater Lakes Child Advocacy Center to assist. Without the non-profit services of the GLCAC, many of these investigations would have been nearly impossible to undertake.

A few more of the notable statistical increases are found to be in the areas of fraud, theft, and motor vehicle complaints. The fraud investigations showed that many potential victims were vigilant with their financial accounts and careful with their identification usage. In order to combat the increases in theft and motor vehicle complaints, the Barnstead Police Department markedly increased its community presence which is evidenced by the statistical increase in property checks and motor vehicle stops.

As dedicated public servants to the residents of, and the visitors to the Town of Barnstead, the sworn and civilian employees of the Barnstead Police Department continue to provide the professional law enforcement services which the Town has come to know and expect regardless of economic status. As always, anyone can feel free to visit the Barnstead Police Department where their questions, comments, and concerns are appreciated.

Respectfully submitted,

---

Kenneth A. Borgia  
Chief of Police

## OSCAR FOSS MEMORIAL LIBRARY

It has been a full ten years since the library expansion was added in the year 2000. We continue to be amazed at how much we have grown, how many items actually circulate throughout the year, what new questions will be added each year and what new types of material the patrons are going to want. Each and every year we do our very best to keep up with the times, know what our patrons want and provide all the services we possibly can.

This year has been no exception as we have circulated 24,279 items and have total holdings of 16,474. The DVD's, CD's and the downloadable audio books continue to be in great demand. The Library is able to keep up with a lot of this demand due to things such as our Co-operative with ten other smaller libraries, where we can exchange DVD's and CD's four times a year and the Inter-Library loan system through the New Hampshire State Library. Another great way we have been able to meet the needs with the audio books (now advancing from CD to IPOD & MP3 to eBooks) is because we subscribe to the New Hampshire Downloadable Audio Books through the State Library. This is an extremely high demand area.

The library continues to provide a meeting room for the public and we were booked 329 times last year. If you do not know about all the events and programs that happen in the meeting room, ask one of the librarians, and do not forget to check the bulletin board for up and coming events in Town. You may be missing out on a Scout meeting, sewing club, quilting club, art classes, story hours and much, much more.

This year we had 12 artists showcase their works at the library, one each month. Skillfully organized by Janice Metzger, it is terrific addition to the Library. Due to the success of the program, Janice organized Friends in Art Program which meets twice a month. Check with a librarian if you want more information.

Our Story Hour continues under the leadership of Dawn McCartney and averages 20 children and ten adults each week. This is a completely volunteer program run by volunteers who do the reading, bring a snack and usually do a craft or two with the children. We encourage all parents and caregivers to bring your pre-schoolers. There were three special parties during the year that had an amazing number of children participating. Another very successful program this year was our Summer Reading Program, "Make a Splash/Make Waves – Read!", organized by our Children's Librarian, Cindi. There was a Kickoff Show with "Wildlife Encounters Zoo" presented in cooperation with the Chichester Library. Over 107 children in the reading program read 926 books. There were four different craft programs for those participating and an Awards and Ice-Cream Social wrapped up the six week program. We also ran a simultaneous Adult Reading Program with 95 adults reading 286 books and entering into a raffle.

The Book Group continues meeting the first Wednesday of each month. If you are not yet a member and would like to join, just give us a call and we will get a copy of the book being read that month.

We ended the programming year with a very special show. Rich Miller and Karlene Normandin presented a Slideshow Lecture titled "Trekking in Nepal." What a GREAT evening! The meeting room was completely filled with interested audience members. Rich and Karlene shared their wonderful trip with all of us. We are so happy they were able to share this simply amazing experience. We would like to publicly thank them and also acknowledge all efforts made by Ron Fitzpatrick who helped organize the slides and running it through his computer for our viewing.

We would also like to thank our very special patrons for bringing in food and supplies for the Barnstead Food Pantry during the months of November and December. We were very proud to send over 53 VERY full bags to help those in need in Barnstead.

Remember that the library offers you a multitude of services. We have a photocopy machine, send out-going faxes, and have three public access computers. We even have those “paper” IRS forms that are becoming so extremely scarce! We also offer the most current best sellers; have lots and lots of the newest DVD’s and audio books on CD. We subscribe to many magazines including PC World and Popular Photography, to name just a few, and yes, you can take them home, you do not need to read them at the library. Do not forget the downloadable audio book service. You only need to be a library patron and come in to register and you can download hundreds of audios in the comfort of your own home.

Our staff is the same this year with Pamela Welch serving assistant librarian, Tina Blackwood as support staff, Cindi Banfill as Children’s Librarian and I continue in my 26th year as Library Director. We are VERY grateful to have a wonderful and supportive Board of Trustees, Bruce Marriott, Sally Kallgren and Rick Simoneau. We continue to serve the public and always welcome your ideas and suggestions. We look forward to another successful year at the Oscar Foss Memorial Library!

Respectfully submitted,

Susan T. Conrad  
Library Director

## REPORT OF THE BUILDING INSPECTOR

2010 was another slow year for requests for new home permits, as only 9 of the maximum 35 allowed new home permits were issued was \$ 23,650 with a total of 281 permits. During 2010, a total of 313 inspections were performed. The following is a list of permits issued:

New Homes	8
Modular Homes	<u>1</u>
<b>Total New Houses</b>	<b>9</b>
Commercial Modular	1
New Homes (Replacing Existing)	3
Modular (Replacing Existing)	2
Additions & Renovation	15
Barns & Outbuildings	12
Cell Tower	1
Decks	9
Demolition	18
Driveways	12
Electrical	67
Fences	1
Foundation (Replacements)	5
Garages	5
Mechanical	33
Porches	7
Plumbing	30
Renewals	47
Swimming Pools w/Electrical Permit	2
Window Replacements	1

If you are planning to make any structural improvements, additions or electrical and plumbing to your home, a permit is required before work commences.

Respectfully submitted,

Paula Vardaro, Secretary to Building Inspector/Code Enforcement Officers:

Geoffrey Fossett January – September and Robert C. Flanders September – December

## BARNSTEAD PLANNING BOARD 2010 ANNUAL REPORT

The current downturn in the economy has become very apparent in the past 3 years. During 2010 the Planning Board approved:

- 0 major subdivisions
- 4 minor subdivisions
- 0 lot line adjustments
- 7 site plan reviews
- 5 for new businesses in town, including 1 cell tower
- 2 for expansion of businesses

In 2010 the Planning Board proposed a change to the Zoning Ordinance to remove some of the more restrictive requirements of allowable signage to bring local businesses into compliance. This was defeated by one vote at the polls. In the coming year a committee comprised of Planning Board members, local business people, and the Barnstead Development Group will be reviewing the current sign ordinance and coming back with changes everyone can agree to.

The other eight questions dealt with bringing the Zoning Regulations into line with current practices to lessen the number of cases requiring appeals to the Zoning Board of Appeals, and passed with ease.

In 2008, 26 new home permits were issued.

In 2009, 8 new home permits were issued.

In 2010, 9 new home permits were issued, leaving 62 available due to carryover from the past three years.

2008 was the last year that 75% of the building permits available were used. If the current trend continues, the restriction on building permits will automatically expire at the end of 2011.

In October the Board held a public hearing and adopted a new method for processing applications which is faster and easier for the applicant.

Respectfully submitted,

David F. Murley, Chairman

William Evans, Vice-Chairman

Michael Kowalski, Secretary

Andrew Houle, Selectmen's Representative

David Kerr, Alternate Selectmen's Representative

Amy Jennings, Member

Nancy Carr, Member

Christopher Carazzo, Alternate

James Fougere, Alternate

Kathy Preston, Alternate

## **REPORT OF THE CONSERVATION COMMISSION**

The Barnstead Conservation Commission would like to take this opportunity to thank the community for their support and to inform every one of the various activities undertaken in 2010 on behalf of the Town. As described in previous years, the Commission continues to focus its efforts on maintaining the Town's existing conservation and recreation parcels as well as working to develop new conservation easements across the community in an effort to meet long-term land protection needs and the goals of the Town Master Plan.

Last year our work on the town beach and trails was made easier by the support of a group of volunteers who pitched in to cut, rake and haul. This year we were pleased to also be joined by a group of volunteers from the Center Barnstead Christian Church. Together we teamed up to clear trails, maintain access to the beach and provide general site cleanup at several properties. The Commission would like to thank all who contributed their time and energies and look forward to more productive hours in the coming seasons.

### **Stevens Boat Ramp**

Over the course of the last two years the boat ramp behind the Police Station has eroded to the point of being marginally usable for launching boats from a trailer. To address regulatory requirements, we applied for a wetland permit to conduct the necessary repairs. After a long regulatory review process, we finally received a permit last fall. Due to the timing, we determined to put the actual construction off until the spring. At that time, we will re-grade the area, add new material to the ramp and redirect the drainage which created the issue in the first place. Hopefully, the reconstructed ramp will be in place for the upcoming boating season. Thanks for all who have waited patiently for these improvements.

### **Springtime Diversions**

This past spring we joined with the Friends of the Suncook River in sponsoring a series of talks by NH authors and speakers at the Barnstead Library. The series started with Eric Orff, a former Fish and Game biologist, who gave a presentation on "The Seven Sleepers of the Suncook Watershed" referring to the hibernating mammals in the region. David Carroll from Warner also gave a presentation on wetland habitats and turtles, a topic familiar to his numerous books. We hope to continue these programs this spring. Anyone with a recommendation for a future speaker should contact the Commission.

### **Other projects**

As usual, the Harrison property on Gilmanton Road required the lion's share of the Commission's time and energies with brush-cutting, painting, and maintenance on the cabin including window repair. This year, we also worked to reflag the property boundaries in anticipation of developing new trails to Upper Suncook Lake from the cabin area. In the meantime, the existing woods road from Gilmanton Road past the cabin and continuing on to the lake is in great shape and a great snowshoeing or hiking destination.

## Other Land Protection Projects

We are currently working on projects in the area around the Harrison property, as well as the area near the Grau property off Holmes Road. We are always looking for other conservation easements, especially parcels adjacent to existing conservation lands. We are always ready to discuss options for land protection regarding your parcels. Please contact the Commission Chair, Jim Fougere, with any questions.

Also, as always we are looking for new members to join the Commission. Anyone interested is welcome at our regular meetings on the first Wednesday of the month at 7:30 at the Town Hall. Please feel free to contact Jim Fougere with any questions or comments.

Respectfully submitted,  
Jim Fougere, Chairman 269-4264

Commission Members

Bill Carpenter  
Joe Bushinski  
Holly Bickford  
Norm Fortier

## **BARNSTEAD EMERGENCY MANAGEMENT REPORT**

The Office of Emergency Management has been busy completing the Municipal Building Generator Grant Program. We have been successful in obtaining a matching grant for emergency power generator installation for three buildings, the police station, town hall, and fire station on Route 126. This will help us not only operate all municipal buildings during a major power failure, but also protect our buildings from expensive freeze ups. We are constantly reevaluating our compliance with State and Federal guidelines and training opportunities to better our readiness to successfully apply for and ascertain grants for our community. I would also like to thank our past director, John Blair, for all he did for us.

If anyone has any questions or concerns about any specific situations that may arise, please feel free to contact the Town Office and leave a message for myself or Deputy Director Steve Byers.

Also, we would like to encourage all Barnstead citizens to make use of the Request for Assistance form that is on the last page of the Town Report. Please fill out any special considerations you may have even if you have done this in the past. This will allow us to remove those from the list that may have moved to another community.

Respectfully submitted,

Shawn Mulcahy  
Emergency Management Director  
Town of Barnstead

## REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhddl.org](http://www.nhddl.org).

This past fire season had a slightly lower number of fires, as well as lower number of acres burned than the 5 year average. What made this fire season somewhat unusual was that it lasted most of the summer. New Hampshire typically has a fairly active spring fire season and then the summer rains tend to dampen fire activity later in the season. This year virtually all areas of the state had fires throughout the summer due to the periodic dry spells throughout the season. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire danger was especially high. The largest fire for the season was 10.3 acre fire in Charlestown. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2010 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

## BCEP Solid Waste District

[www.bcepsolidwaste.com](http://www.bcepsolidwaste.com)

### A Message from the District Committee

2010 was a relatively quiet year at BCEP. Prices received for recyclables held steady at a relatively high rate, which helped revenues, even as shipments shrunk due to the economy. BCEP was able to obtain a grant from New Hampshire the Beautiful for half the price of a new cross belt magnet system that will increase efficiency and produce a higher aluminum can sort quality, which will increase the price BCEP receives for aluminum cans.

The good news is the Committee has avoided increasing taxes for the 12th consecutive year, 2011. While each town's share has changed slightly due to population changes, the total taxes collected by the District haven't increased since 1999.

BCEP accepts recyclables from other towns, consolidates them, and reships them as full loads. In 2010 we worked with several other towns throughout the state, with a revenue increase to BCEP of \$15,942.31.

You may have noticed that the old landfill area was sloped, loamed and seeded during 2010. While this was not a formal landfill closure, it was a step towards that end and substantially improved the appearance of our grounds. The 'hill' can now be mowed once or twice a year to maintain its more pleasing appearance.

Comments from the public are always welcome. The District Committee meets the last Thursday of each month (except Nov. & Dec.) at the District facility at 7:00 PM. The Public is invited.

## NORTHEAST RESOURCE RECOVERY ASSOCIATION

*“Partnering to make recycling strong through economic and environmentally sound solutions”*

Northeast Resource Recovery Association  
2101 Dover Road, Epsom, NH 03234  
Telephone: (603) 736-4401 or 1-800-223-0150 Fax: (603) 736-4402  
E-mail: [info@nrrea.net](mailto:info@nrrea.net) Web Site: [www.nrrea.net](http://www.nrrea.net)

Dear NRRA Member,

As a member of Northeast Resource Recovery Association (NRRA), your community has access to all the services of this first in the nation, 30-year-old recycling cooperative. Your member-driven organization provides you with:

- Up-to-date Technical Assistance in waste reduction and recycling;
- Cooperative Marketing to maximize pricing and Cooperative Purchasing to minimize costs.
- Current Market Conditions and Latest Recycling Trends;
- Innovative Programs (i.e. Dual Stream, Consolidation and Single Stream)
- Educational and Networking Opportunities through our Annual Recycling Conference, our new Bi-weekly
- Full of Scrap® email news, monthly Marketing meetings, website, semi-annual newsletter and Fall Bus Tour;
- School Recycling Club - a program to assist schools to promote or advance their recycling efforts.

The membership has grown to include more than 400 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine. NRRA, as a non-profit organization, is unique in that we do not charge a “brokerage fee” or work to maximize profit gains, but rather has a minimal “Co-op Fee” which is reinvested into programs to further your recycling programs and solid waste reduction efforts in schools and municipalities. Through your continued support and dedication, NRRA has assisted our members to recycle over 73,206 tons in fiscal year 2009-2010!

Please contact NRRA at 800-223-0150 / 603-736-4401 or visit our website at [www.nrrea.net](http://www.nrrea.net)

## REPORT OF THE HEALTH OFFICER

This year has been quite a learning experience that dispelled some preconceived assumption of authority by the Health Officer. We have received a variety of complaints from the public, which the Town is obligated to investigate. In most cases results of the investigation revealed some misunderstanding of regulations or violations that were easily resolved with cooperation from the property owner. However, several complaints were, as verified by site investigation, clear violations of State or local codes that caused unreasonable hazard to the public or residents. Immediate action by the health officer was deemed necessary to abate the hazards.

While the Town through the health officer, has always attempted to resolve violations informally; in several cases these attempts failed, and a higher level of enforcement was required. All along we were led to believe by a higher authority that the health officer had the power to initiate immediate steps to mitigate the violations. The courts disagreed when several cases were dismissed. Our attorney recommended the Town adopt local ordinances as provided by State Statute as a means of eliminating needless legal expenses. He further recommended the Planning Board adopt the regulations as amendments to the zoning ordinances. As a first step, the Planning Board has moved to include minimum housing standards as contained RSA 48-A for rental property. This amendment will be placed on the ballot for Town Meeting. I recommend you support this amendment. While the Town is loathe to over regulate residents; we will be exploring other alternatives that are reasonable and add a level of protection for all of us.

All dwellings in Barnstead are equipped with individual septic systems for the disposal of waste water. Failed systems not only affect the property owner, but also residents within the immediate area. Historically, failed systems have been a common complaint received by the Town. I believe the lagging economy has the potential to exacerbate this problem in several ways. As in the depression era, families may be forced to accept additional members in their dwellings placing more stress on the septic system. Barnstead has also seen its share of property foreclosures that are generally sold without warranty by the mortgage lender. As families add members, they should consider having their system inspected by a septic hauler to determine if the system needs any improvement to handle the increased load. Anyone considering purchase of a foreclosed property should inspect public records through the Town or health officer that may indicate past problems. In the end an individual may save needless expenses by taking preventative measures.

In the past year the health officer has responded to the following:

- 2-foster home facility permit inspections
- 1-day care facility permit inspections
- 4-unsanitary condition complaints
- 1-nuisance complaints
- 4-septic system failure complaints
- 2-rental housing standards complaints
- 1-continuing enforcement case

Respectfully submitted,

William Evans, Barnstead Health Officer

## PARKS & RECREATION

To the Citizens of Barnstead:

We thank you for the opportunity to serve you in 2010. Please allow us to clarify the role of Parks and Recreation as it currently exists in Barnstead and to seek your support for the development of a more structured program.

Barnstead Parks and Recreation is a volunteer driven committee. Perhaps your child plays or played on a Parks and Rec. soccer or basketball team. When offered to head up the basketball & soccer program a few years ago, we did not realize all the other responsibilities that came with the Parks & Rec. Committee role.

Including:

1. Town Beach - recruiting, hiring, scheduling and overseeing the Attendants, preparing the beach area including putting in and taking out the swim lines;
2. Summer Concerts - booking and contracting the musical talents, publicizing the summer-long weekly concerts, coordinating non-profit concessions;
3. Ice Rink - under the direction of Parks and Rec. volunteer Bob LaRoche, the rink and surrounding area has received a long overdue renovation. In years past, a hose was fashioned to run from the river to the ice rink to flood it. Two years ago Parks and Rec. asked permission to use the \$5000 set aside into a Parks & Rec. Building Reserve Fund for the purpose of getting the rink fixed up. This will be the 3rd year we again ask for the funds immediately to complete the work done to not only the ice rink, but to that whole area behind the Police Department;
4. Big River Recreation Area - did you realize that is the name of that area? A few years back, under the direction of Chris Carazzo and Tony Bugieda, playground equipment was installed. Their future plans included more playground equipment, basketball court and lighting improvements, as well as a potential skate park. Discussion continues on what to include in your community park - sand volleyball? Horseshoes? Picnic areas? Hiking trails?
5. Budgetary expectations -Peg Simoneau serves as the Treasurer for Parks & Rec. She interacts with Town staff to manage tax-funded matters as well as program funded items. Funds are available for additional programs beyond soccer & basketball. For these to occur, it takes planning and implementation, to be managed by volunteers;
6. Press releases/newsletters/communication/data management;

While it does indeed take many dedicated volunteers to make any activity happen, we also are realistic that in order to provide many other services, general administrative direction is needed. It is for this reason we have dedicated the past year to creating a proposed structured organization. We are suggesting that a Parks and Rec Commission be established, which would include a Coordinator, to be paid a small stipend.

The Commission's charge is to provide leisure-time services for our community. It will consist of citizens, appointed by the selectmen, who will serve for 2 years. Among the various responsibilities of the proposed Coordinator, he/she will oversee, develop and implement procedures and policies associated with recreational programs and facilities, work collaboratively with other local citizen groups and organizations to bring about coordinated, effective delivery of low-cost/no-cost recreation and other related community services.

We hope that the people of Barnstead continue to value the services of Parks and Recreation and support the vision we are suggesting. Thank you.

Respectfully submitted,

Judy Chase, Chair  
Peg Simoneau, Treasurer  
Hollie Kelley, Member  
Dan Chase, Member

Unfortunately, the committee was unable to hold the Old Home Day for 2010. The 2011 Old Home Day will be held Saturday, August 27, so mark your calendar. The theme is "CLASSIC VEHICLES OF THE 50'S AND 60'S."

## **SUPERVISORS OF THE CHECKLIST**

The Supervisors had a busy year with extra elections for 2010. The first session for the correction of the checklist for 2010 was held on January 19, we also accepted change of party at that session.

The next session was held on February 27. This was a final session prior to the Town and School Elections to be held on March 9. New registrations were accepted and processed during voting hours. We were in attendance at the Town Meeting, held March 13 and also at the School District Meeting on the following week on March 20. We met June 1 for additions and corrections to the checklist. This was also the final date to accept change of party prior to the Primary Election to be held in September.

On September 7, we had a session for new registrations for the September 14 Primary Election, and because there was a Special School District Meeting called for September 18, an additional session was held on September 11. This election was pertaining to Prospect Mountain High School teachers' contract.

We were in session on October 23, for additions and correction to the checklist; this meeting was prior to the General Election held on November 2. In all, we had to prepare updated checklists for four elections and the Town and School Meetings.

As usual we had a busy year updating the checklist with change of party and keeping up with address changes; it is an ongoing process.

Please remember to come to the Town Hall at election time. Use your right to vote for your choice of candidates.

### **YOUR VOTE DOES COUNT!**

Respectfully submitted,

Judith L. Forsyth  
Marjorie J. Terry  
Frances J. Eastman  
Jessie L. Fifield, Pro Tem  
Supervisors of the Checklist

## BARNSTEAD HISTORICAL SOCIETY

The Barnstead Historical Society would like to thank the citizens of Barnstead for their continuing support of our projects and our mission.

2010 was a very busy year for the society. Our main focus was to refurbish the “Center Bandstand”. We scraped, primed and painted the entire bandstand with volunteer help from the Society and the community, including some from the Selectmen’s Office and the American Legion. Special thanks to Bob LaRoche, who provided paint supplies and expertise and to Garrick Locke, who painted and participated in the September ceremony. Before we could paint, a lot of work was done on weeding and shrub pruning by Society members and on tree removal, with the help of Barnstead Fire Department members. Clint Lank stabilized the concrete floor and painted it. It was a great community effort. Thanks, again, everyone. The bandstand was proudly used for the Memorial Day ceremony, all dressed in patriotic bunting and planted with red, white and blue flowers.

The Center Bandstand was dedicated at a ceremony on September 18, 2010. The ceremony honored John J. Jenkins, born 1872, the builder of the bandstand, in 1937. A beautiful Bronze plaque was put on the bandstand. Mr. Jenkins’ daughter Edith (Jenkins) Mitchell and many other family members attended the ceremony. A fine reception followed in the Town Hall. Nolan and Naomi (Mitchell) Avery were honored guests. They were both, members of the band that played in the bandstand when it was first built, Nolan on the sousaphone and Naomi on the xylophone and marimba. Many members of the community, including Carol Tiede, Jeanne Eastman, Twink and Gracie Merrill have shared their memories of the “Center Bandstand”; its band music, refreshments and good times. Thank you to all the volunteers who participated and to all the people who donated funds and materials to the project. We are planning to have the bandstand “in its glory,” filled with band music, next summer. Please, join us for a concert.

We had a special speaker at our June Meeting. Mary Jane Q. Cross returned to Barnstead to speak about her special connection to Barnstead and how it had furthered her career as a painter. She is a renowned portrait and genre painter. She was here in Barnstead in 1983 to restore the Barnstead town curtain; the painting of the Tasker Mill. It was wonderful to have her back again. She gave an inspiring talk.

The October speaker was David Allen Lambert from the New England Historical Genealogical Society, which was founded in 1845. He is the online consultant at the library in Boston. His talk "Getting Started in Genealogy and not Falling Out of the Family Tree" was really interesting and informative. He used his family connections to Barnstead families; Pitman, Lougee and Avery to help us all get started or to continue our own genealogical research.

We continue to encourage and to accept items for our archives, especially historical items related to Barnstead history.

The officers of the Barnstead Historical Society for the coming year are: Pres. Sandra Burt, Vice Pres. Ken Pitman, Secretary Betsy Webber, Treas., Jeanne Eastman and Archivist; Susan Fraser.

We would like to encourage everyone in Barnstead to join us at our meetings this year, 2011. We plan to continue work on the bandstand, to get Bill Walker's Barnstead Genealogy files up and running at the Oscar Foss Memorial Library, to continue our Oral History Project and to take a historical trip to Portsmouth to the Wentworth Coolidge Mansion, to participate in Barnstead Old Home Day and other community events. Come and learn more about Barnstead, NH and US history, it is interesting and rewarding.

Respectfully submitted,

Sandra E. Burt, President 2010

## **BARNSTEAD MILFOIL CONTROL COMMITTEE**

The BMCC has been aggressively managing invasive variable milfoil growth in the Suncook River system for the past several years. Large scale herbicide treatment programs performed in 2007 and 2008 reduced the milfoil population significantly. Only spot-treatment of less than ten acres was required in 2009. During the 2009 program, a couple of areas were identified where milfoil may be too extensive to effectively hand-pull with divers. These areas were treated in late June and a follow up was done in early September.

A dive team was also used to first survey the river and remove as many surviving plants as possible in a three day period. Divers are more effective in areas where the re-growth is sparse and spotty. They removed over 320 gallons of milfoil from about 10 spots on the river.

We have learned that variable milfoil will germinate from seed for up to 3 years after the seeds were formed. There still are more spots of milfoil in the River but we hope the active use of divers during the summer of 2011 will be able to manage and remove those areas before they can produce seed. It is expected that diver activity will be needed for at least the next three years in order to police and remove plants as they begin to develop.

Because milfoil is now recognized as being able to grow from seed, the BMCC does not favor spending money to remove milfoil from Brindle Pond. The amount of seed produced in the last 10 years would make the cost prohibitive in our opinion. We are installing a milfoil net downstream in order to confirm that no milfoil plants are reaching the Suncook River. From all observations to date, it does not appear the source of milfoil in the River came from Brindle Pond.

The entire herbicide treatment in 2010 was coordinated between the BMCC and the Suncook Lake Milfoil Committee. The Upper Lake required some treatment. Both the Suncook Lake Association and Camp Fatima contributed for that treatment. Coordinating the treatment provided a significant savings in cost for both areas.

Thanks very much for the continued support. The Suncook River would have become a swamp without your assistance.

Respectfully submitted,

Ed Neister – Chairman  
Jim Fougere – Assistant Chairman  
Brian White – Dive Master  
Barnstead Milfoil Control Committee

Dave Juvet – Information Officer and Activity Recorder  
Pam Miller – Survey Specialist

### **TREASURER'S REPORT**

Balance	12/31/2010	\$450.00

Respectfully submitted,

Marjorie J. Terry, Treasurer

## **STATE REPRESENTATIVE REPORT**

### **ELAINE SWINFORD**

As I enter my second term, I have been honored to be chosen to chair the Criminal Justice and Public Safety Committee. This very diverse committee deals with everything from gun laws, the death penalty to cell phone use while driving.

I share this honor with you my constituents because of your faith in my ability to do the right thing, for all. While I cannot make everyone happy at the same time I will do my best to represent you.

This year will be challenging because we will be cutting the new taxes and fees put into place over the last four years and balancing the budget. But, give us some time and watch it happen.

I have sponsored a bill to protect the war memorial at Cannon Mountain that was dedicated in 1928. It is moving through the State House now and next will go to the Senate.

As your State Representative, I am always available to answer questions and listen to your concerns. You can reach me at 235-1895 (cell) or 776-0274 (home).

Respectfully submitted,

Representative, Elaine Swinford  
Chair, Criminal Justice and Public Safety Committee

## OVERSEER OF PUBLIC WELFARE

This year was a busy in the department: the economic conditions have created many hardships for Barnstead families. We were able to keep them warm, keep their power on and made sure all were safe in their homes.

We continue to harvest the wood from the tornado and this has been a big cost saver for my department. More than 40 cords of wood were supplied to families that heat with wood. We were able to do this with the help of the Strafford County Community Work Program. They come three to four times a year cutting and splitting the wood. Thanks to the Highway Department for their continuing support regarding this program.

This department will continue to work with other agencies to assist our residents in finding the most help that is available for their situation.

The State of New Hampshire has a new help line; by dialing 211 you are connected to a person who will give you the best information on how to receive aid on the State level. This service is a huge help to myself and residents of town as they have information on all programs in the State of New Hampshire.

Respectfully submitted,

Elaine Swinford  
Overseer of Public Welfare

## LAKES REGION PLANNING COMMISSION

103 Main Street, Suite #3  
Meredith, NH 03253  
tel (603) 279-8171  
fax (603) 279-0200  
www.lakesrpc.org

### FOR TOWN ANNUAL REPORTS LAKES REGION PLANNING COMMISSION 2009 – 2010 (FY10)

The Lakes Region continues to grow and evolve. As our economy and world change, so does the work we are engaged in. The Lakes Region Planning Commission (LRPC) is an organization established according to state law to provide area communities and the region with the capacity to respond to and shape the pressures of change in a purposeful way. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. The Commission offers direct and support services including technical assistance, geographic information systems, transportation planning, land use, environmental planning, hazard planning and economic development. Local, state, and federal resources primarily fund the LRPC. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our overall goal is to provide support, knowledge, and leadership to the governments, businesses, and citizens of the Lakes Region.

Some of the services provided on behalf of the town of Barnstead and the region in the past fiscal year are noted below:

#### LOCAL

- Submitted a letter of support to the board of selectmen for a proposed biomass facility on the site of a wood pellet manufacturer.
- Provided copies of the NH Planning and Land Use Regulation books to the town at considerable savings.

#### LAND USE

- Responded daily to requests for land use, transportation, environmental, and other information and guidance.
- Prepared master plans, capital improvement programs, local emergency operations plans, zoning ordinances, subdivision regulations, and related services for several communities.
- Maintained circuit rider planning services for municipalities interested in assistance with development proposals.
- Contributed to the preparation of the award winning Innovative Land Use (ILU) Guidance resource document and ILU Mapper.
- Organized and hosted three public Municipal Law Lectures, in cooperation with the NH Local Government Center: 1) Constitutional Issues in Land Use Regulations; 2) The Five Variance Criteria in the 21<sup>st</sup> Century; and 3) What Do You Do When They Stop Building? Vested Rights, Modified Approvals, Violations and Revocation.

- Prepared the 2010 Development Activity in the Lakes Region report and distributed it to survey participants.

## **ECONOMIC DEVELOPMENT**

- Continue to coordinate with area economic development groups including Belknap County Economic Council (BCEDC), Grafton County Economic Development Council (GCEDC), Franklin Business and Industrial Development Corporation (FBDIC), and the Wentworth Economic Development Council (WEDCO) in pursuit of workforce development and wealth creation opportunities for the region.
- Applied for and secured \$400,000 in Brownfields funding from the U.S. Environmental Protection Agency (EPA) to help local communities identify vacant and underused sites for redevelopment and productive reuse.
- Completed the Lakes Region Comprehensive Economic Development Strategy (CEDS), A Plan for Sustainable Progress, and submitted it to the U.S. Economic Development Administration (EDA) for acceptance. The plan was officially accepted in May 2010. It contains up to 18 projects that may qualify for EDA funding.
- Coordinated an Economics Day for Leadership Lakes Region and co-presented the Lakes Region Comprehensive Economic Development Strategy (CEDS) to attendees.
- Completed a Phase I Lakes Region Broadband Study to determine the extent and capacity of existing broadband service.
- Planned and facilitated four Lakes Region CEDS committee meetings throughout the year, and initiated another application to EDA to help the region explore the possibility of creating an economic development district.

## **TRANSPORTATION**

- Conducted over 160 traffic and turning movement counts around the region.
- Convened many meetings of the LRPC Transportation Technical Advisory Committee (TAC) to enhance local involvement in regional transportation planning and project development. Conducted research on behalf of the TAC on special projects such as road salt storage rules and best management practices from several states.
- Continue to provide assistance to an exploratory committee interested in developing a Scenic Byway around Lake Winnepesaukee.
- Initiated the development of a Bicycle and Pedestrian Plan for the Region.
- Recommended a priority list of Transportation Enhancement projects to the NH Department of Transportation (NHDOT) for future funding.

## **PUBLIC FACILITIES**

- Secured support from the U.S. Environmental Protection Agency (EPA) to assist the Lakes Region Facility Commission with determining the best long-term use of the former Lakes Region prison site, a location that has considerable redevelopment potential.
- Modified and improved Community Facility maps for the regional towns and posted them to LRPC's website.
- Facilitated the Energy Alliance meeting held in Campton at the White Mountain National Forest (WMNF) headquarters complex. WMNF staff, New Hampshire Co-op and Jordan Institute representatives provided an overview and discussion on the energy efficiencies and systems at the complex and conducted a tour of the facility.
- Planned and facilitated three Lakes Region Energy Alliance meetings. The Alliance is a consortium of local energy committees brought together to share ideas and activity.
- Represented the region at the Local Energy Solutions Conference, hosted by Clean Air – Cool Planet and the Local Energy Committee Working Group, in Concord. The Energy Technical Assistance Program (ETAP) was officially launched at the conference. In attendance were other RPC representatives, members of local energy committees from the Lakes Region, and other regions of NH. LRPC is the main point of contact on the ETAP program.

## **HOUSING**

- Prepared and distributed the 2010 Development Trends Report to communities and the news media.
- Drafted a process to conduct a Workforce Housing Assessment to help communities determine if their planning regulations and laws are in compliance with the Workforce Housing law.
- Participated in workforce housing forums with the Work Here, Live Here CEDS Committee, and the Eastern Lakes Region Housing Coalition.

## **NATURAL RESOURCES**

- Presented water resources ordinances for the Regional Environmental Planning Program (REPP) at a statewide planning conference. The LRPC received the 2010 Source Water Protection Award from the NH Department of Environmental Services for providing a pioneering example of regional groundwater protection in New Hampshire.
- Secured nearly \$100,000 from the National Oceanic and Atmospheric Administration (NOAA) to expand planning efforts on the Lake Winnepesaukee Watershed Management Plan (LWWMP). Support was provided from U.S. Senator Gregg.
- Continue to represent the region at meetings of the Lakes Region Household Hazardous Product Facility to explore the ways and means the facility may encourage other communities to participate.
- Received support from the NH Department of Environmental Services (NHDES) and the federal American Recovery and Revitalization Act (ARRA) to continue work on the Pemigewasset Watershed Co-occurrence Model.

- Continue to organize and coordinate two annual Household Hazardous Waste (HHW) collections a year, involving 24 member communities. The 2010 collection was the largest collection ever in terms of volume.

## **UTILITY AND PUBLIC SERVICE GOAL:**

- Received over \$80,000 from the University of New Hampshire (UNH) to map broadband services throughout the region as part of a three-year effort. The next phase will include developing strategies to enhance broadband service.
- Researched the new Rural Business Opportunity Grant being offered by the U.S. Department of Agriculture (USDA).
- In cooperation with the NH Office of Energy and Planning (OEP) and the Conservation Law Foundation-Ventures, initiated the Energy Technical Assistance Program (ETAP) for the Lakes Region.

## **NATURAL HAZARDS**

- Hosted a statewide meeting of the Regional Planning Commission (RPC)/Homeland Security and Emergency Management (HSEM) staff to discuss the process for Hazard Mitigation Plan (HMP) updates, Local Emergency Operations Plan (LEOP) updates, and other project issues.

## **REGIONAL CONCERNS**

- Hosted an Annual Meeting that featured the Product Stewardship Institute, a national pioneer in Product Stewardship; the next step beyond household hazardous waste collections.
- Convened six Commission meetings and facilitated discussions on: Planning, Energy, and NH Communities: Challenges and Outlook; An Overview of the 2009 Aquatic Resource Mitigation Fund; New Hampshire's Current and Future Transportation System; Lakes Region Transportation Enhancements; NH Rail Transit Authority; What Role Should Your Community Have in Regulating Large Groundwater Withdrawals; The State's Current Efforts to Coordinate Transit Planning Statewide, and The Implications for the Lakes Region; Overview of the Lake Winnepesaukee Watershed Management Plan (LWWMP); Overview of Household Hazardous Waste Collections in the Lakes Region; A Panel Discussion: Permanent Household Hazardous Product Facilities: Is Another in the Lakes Region Future; Milfoil and Exotic Species in our Great Ponds: Lessons Learned; Overview of Exotic Species in NH and Research Initiatives; Innovative Techniques on Squam Lakes.
- Represented the region on the NH Association of Regional Planning Commissions.
- Conducted outreach and provided assistance with Geographic Information Systems (GIS) to local officials.
- Maintain and host LRPC's website, [www.lakesrpc.org](http://www.lakesrpc.org), which features extensive information for local officials and the general public.

**STATE OF NEW HAMPSHIRE**  
**Town of Barnstead**  
**Warrant for 2010 Annual Meeting**

**THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.**

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Ninth (9th) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects.

1. To choose all necessary Town officers for the year ensuing.

**VOTE**

1 Selectman	2 year term	<b>Katherine Grillo</b>	<b>372</b>
2 Selectmen	3 year terms	<b>David Kerr</b>	<b>250</b>
		<b>Robert LaRoche</b>	<b>239</b>
1 Town Clerk/Tax Collector	3 year term	<b>Cynthia Treadwell</b>	<b>624</b>
1 Moderator	2 year term	<b>William Gosse</b>	<b>200</b>
1 Supervisor of the Checklist	6 year term	<b>Marjorie J. Terry</b>	<b>613</b>
1 Trustee of Trust Funds	3 year term	<b>Denise Adjutant</b>	<b>555</b>
1 Library Trustee	3 year term	<b>Bruce A. Marriott</b>	<b>561</b>
2 Budget Committee	3 year terms	<b>Brian White</b>	<b>463</b>
		<b>Paul K.J. Landry</b>	<b>478</b>
1 Overseer of Public Welfare	1 year term	<b>Elaine Swinford</b>	<b>545</b>
2 Planning Board Members	3 year terms	<b>Michael Kowalski</b>	<b>277</b>
		<b>David Murley</b>	<b>356</b>

2. Are you in favor of decreasing the Board of Selectmen to 3 members?

**NO            428**

3. To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board, as follows:

1. Are you in favor of the adoption of question #1, as proposed by the Planning Board for the Barnstead Zoning Ordinance, as follows:

To amend Article 14, Section 14-6.01 setting forth the purpose of the Suburban Districts, to read: It is the intent of this section to maintain districts as areas of residential use including only those businesses and industries that have minimal impact on the residential district consistent with Table 1.

**YES            387**

2. Are you in favor of question #2, as proposed by the Planning Board for the Barnstead Zoning Ordinance, as follows:

To delete in its entirety Section 14-8 D of Article 14 which relates to requirements for signs to delete “cottage industry” as a use from Table 1 which sets forth Permitted uses by District or Zone.

**YES 387**

3. 3. Are you in favor of question #3, as proposed by the Planning Board for the Barnstead Zoning Ordinance, as follows:

To add to Article 3, entitled “General Provisions”, the following new Section 3-4: Non-Conforming Uses: Existing uses, which are non-conforming under this ordinance but which were lawfully established, may continue until the use ceases to be active or is discontinued for a period of one year. An existing non-conforming use may not be changed to another non-conforming use; existing non-conforming uses shall be required to meet the shoreland natural buffer, drainage, and related water quality protection requirements of this ordinance to the maximum extent feasible.

**YES 397**

4. 4. Are you in favor of question #4, as proposed by the Planning Board for the Barnstead Zoning Ordinance, as follows:

To amend Sections 14-4.03, 14-5.04 and 14-8, of the Zoning Ordinance so as to provide new requirements and standards for the signs in the Industrial-Commercial Districts, the Village Districts and the Residential-Agricultural Districts.

**NO 321**

5. Are you in favor of question #5, as proposed by the Planning Board for the Barnstead Zoning Ordinance, as follows:

To amend Article 5, Section 5-1.07 relating to temporary residential manufactured housing units.

**YES 338**

6. Are you in favor of question #6, as proposed by the Planning Board for the Barnstead Zoning Ordinance, as follows:

To add to Article 4, new Section 4-2.08, to allow one bedroom Accessory Dwelling Units.

**YES 392**

7. Are you in favor of question #7, as proposed by the Planning Board for the Barnstead Zoning Ordinance, as follows:

To add to Article 2 - Definitions: Accessory Dwelling Unit, Conforming Lot, Non-Conforming Lot, Non-Conforming Use, Controlling Road, Immediate Family and expand the definition on Dwelling Units.

**YES 385**

8. Are you in favor of question #8, as proposed by the Planning Board for the Barnstead Zoning Ordinance, as follows:

To amend Article 4, Section 4-1 to provide that one single-family dwelling unit and one one-bedroom accessory dwelling unit shall be allowed on a lot which conforms to the requirements of Article 4.

**YES 407**

9. Are you in favor of question #9, as proposed by the Planning Board for the Barnstead Zoning Ordinance, as follows:

To amend Article 4, Section 4-2.02: to provide accessory dwelling units and duplex dwelling units shall be allowed consistent with other zoning changes.

**YES 385**

**The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 13th, 2010, at 9:00 a.m. at the Barnstead Elementary School.**

4. To hear reports of the Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.

**PASSED VOICE VOTE**

5. To see if the Town will vote to complete the transition to a conventional municipal fire department, following the approval at the 2009 Town Meeting, by changing the form of financing and property ownership for the Town Fire Department by: a) raising and appropriating the amount of Forty Thousand Dollars (\$40,000) for the purpose of purchasing the two existing fire stations currently owned by Barnstead Fire Rescue, Inc. (BFRI), a private company, and located at Parade Road (known as Station 1) and South Barnstead Road (known as Station 2); b) transferring the ownership of BFRI firefighting equipment to the Town; c) changing the method of financing the Fire Department in accordance with RSA 154:1-a; and d) ratifying the January 12, 2010, contract between BFRI and the Town. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

**PASSED VOICE VOTE**

6. To see if the Town will vote to raise and appropriate the amount of Thirty Thousand Dollars (\$30,000) for the purpose of purchasing a Police vehicle, fully marked and outfitted, to replace an existing police vehicle. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

**PASSED VOICE VOTE**

7. To see if the Town will vote to raise and appropriate the amount of Thirty Thousand Thirty-Six Dollars (\$30,036) as the Town's cost for Mitigation Projects located on Holmes Rd., Province Rd., and Parade Rd. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

**DELETE PARADE RD AND CHANGE TO DAM SITE**

**PASSED VOICE VOTE**

8. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) for Milfoil treatment of Suncook Lake and Suncook River. This will be a non-lapsing article and will not lapse until December 31, 2014. This is a special warrant article per RSA 32:3. (Recommended by Selectmen) (Recommended by Budget Committee).

**PASSED VOICE VOTE**

9. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) to be placed in the Bridge Construction Capital Reserve Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

**PASSED VOICE VOTE**

10. To see if the Town will vote to raise and appropriate the amount of Twenty Thousand Dollars (\$20,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

**PASSED VOICE VOTE**

11. To see if the Town will vote to raise and appropriate the amount of Fifteen Thousand Dollars (\$15,000) to be placed in the Fire Truck Capital Reserve Fund. This is a special warrant per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

**PASSED VOICE VOTE**

12. To see if the Town will vote to raise and appropriate the amount of Five Thousand Dollars (\$5,000) to be placed in the Town Hall Computer Support Expendable Trust Fund. This is a special warrant article per RSA 32:2, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

**PASSED VOICE VOTE**

13. To see if the Town will vote to discontinue the Cistern Capital Reserve created in 1999. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund. (Recommended by Selectmen) (Recommended by Budget Committee).

**PASSED VOICE VOTE**

14. To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Cistern Construction and Maintenance Fund, for the purpose of constructing fire cisterns and the maintenance or repairs thereof; and to raise and appropriate the sum of Three Thousand Seven Hundred Dollars (\$3,700) to be placed in this fund; and furthermore to appoint the Selectmen as agents to expend this fund. This sum to come from fund balance (surplus) and no amount to be raised from taxation. This is a special warrant article per RSA 32:3. (Recommended by Selectmen) (Recommended by Budget Committee).

**PASSED VOICE VOTE**

15. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be placed in the Historical Society Building Capital Reserve. (Submitted by Petition) (Not Recommended by Selectmen) (Recommended by Budget Committee).

**PASSED VOICE VOTE**

16. To see if the Town will vote to authorize the Selectmen, as allowed by RSA 80:80, III, to convey the property at tax Map 037 Lot 515, to Robert M. and Diana S. Stanley, to be merged with the Stanley's property at Map 037 Lot 516. Robert and Diana Stanley have paid all taxes, interest, costs and expenses owed to the Town in maintaining the property. This property was acquired by tax deed in July, 2005. (Recommended by Selectmen).

REMOVE THE NAME ROBERT

**PASSED VOICE VOTE**

17. To see if the Town will vote to authorize the Selectmen as allowed by RSA 80:80, III, to convey the property at tax Map 045 Lot 073.6, to the Evans Trust, William R. and Anne V. Evans Trustees, to be merged with the Evan's property at Map 045 Lot 072.6. William and Anne Evans have paid all taxes, interest, costs and expenses owed to the Town in maintaining the property. This property was acquired by tax deed in July, 2005. (Recommended by Selectmen).

**PASSED VOICE VOTE**

18. To see if the Town will vote to authorize the Selectmen as allowed by RSA 80:80, III, to convey the property at tax Map 042 Lot 053, to Lynn Ordway, the prior owner. Lynn Ordway has paid all taxes, interest, costs and expenses owed to the Town in maintaining the property. This property was acquired by tax deed in June, 2004. (Recommended by Selectmen). NOT PAID

**FAILED VOICE VOTE**

19. To see if the Town will vote to authorize the Selectmen, as allowed by RSA 80:80, III, to convey the property at tax Map 019 Lot 001 to Richard Healey and Joseph Laurino. Mr.

Healey and Mr. Laurino have paid all taxes, interest, costs and expenses owed to the Town in maintaining the property. This property was acquired by tax deed in January, 2003. (Recommended by Selectmen).

**PASSED VOICE VOTE**

20. To see if the Town of Barnstead will vote to reclassify a portion of Hartshorn Road in Barnstead, NH, located at Map 3 Lot 45 to Map 3 Lot 47, approximately 1285 feet, from a Class VI highway to a Class V highway. (Recommended by Selectmen).

**PASSED VOICE VOTE**

21. To see if the Town will vote to change the Treasurer's position from an elected position to an appointed position. If the Town so votes, the person holding the elected office of Treasurer shall continue to hold office until the 2011 Town election, at which time the elected office of Treasurer shall terminate. (Recommended by the Selectmen).

**FAILED VOICE VOTE**

22. To see if the Town will vote to accept the 50-foot right-of-way identified as “Proposed 5—Foot ROW Aligned With Existing Centerline of Road” on the plan entitled “Plot Plan for ROW for Locke Lake Colony Association” by J.L. Green Enterprises; to discontinue the portions of the original 50-foot layout that lie outside of the proposed 50-foot right-of-way; and to condition said acceptance and discontinuance upon an exchange of deeds between the Town and the Locke Lake Colony Association so that the Town owns only the proposed 50-foot right-of-way as shown on said plan. The purpose of this article is to release any claim of the Town to Colony Drive right-of-way greater than 50 feet; and to align the Town’s 50 feet with Colony Drive as actually constructed. (Recommended by Selectmen).

**PASSED VOICE VOTE**

23. To see if the Town will vote to direct the Board of Selectmen to investigate the possibilities of saving money by engaging with other municipalities in regionalization for purchases of products and services. (Recommended by Selectmen).

**PASSED VOICE VOTE**

24. To see if the Town will vote to approve the following resolution to be forwarded to our State Representative(s), our State Senator, the Speaker of the House, and the Senate President; Resolved: The citizens of New Hampshire should be allowed to vote on an amendment to the New Hampshire Constitution that defines “marriage”. (Submitted by Petition).

**PASSED HAND VOTE**

25. Are you in favor of limiting all Town Officials and Officers of the School Board to holding one position at a time, whether the position is elected, appointed, or voluntary? (Submitted by Petition).

**FAILED VOICE VOTE**

26. Are you in favor of changing the current method of selecting the Health Inspector for the Town of Barnstead from appointment by the Selectmen to an elected position by a vote of the Registered Voters of the Town? (Submitted by Petition).

27. Are you in favor of “term limits” for the elected official positions of Selectmen, Planning Board, and Zoning Board of Adjustment only for the Town of Barnstead? The “term limits” for the stated elected officials for the Town of Barnstead including Selectmen, Planning Board, and Zoning Board of Adjustment only shall be two (2) terms in succession, and two (2) terms absent. No other elected officials shall be affected by this warrant article. (Submitted by Petition).

28. Are you in favor of changing the current method of selecting the Building Inspector for the Town of Barnstead from appointment by the Selectmen to an elected position by a vote of the Registered Voters of the Town? (Submitted by Petition).

**ARTICLES 26-28 CANNOT ACT ON**

**FAILED VOICE VOTE**

29. Are you in favor of adoption of the following Resolution; “Shall New Hampshire’s Congressional Delegation be instructed to pursue a new and independent investigation to address thoroughly all of the evidence and unanswered questions related to the events of September 11, 2001?” (Submitted by Petition).

**FAILED VOICE VOTE**

30. To see if the municipality will vote to raise and appropriate the Budget Committee’s recommended sum of \$3,345,548 for general municipal operations. The Selectmen recommend \$3,362,868. This article does not include appropriations by special warrant articles and other appropriations voted separately.

**AMENDED TO READ \$3,332,510**

**PASSED VOICE VOTE**

31. To transact any other business that may legally come before this meeting.
